Johann Sebastian Bach has always been a fixed point in the musical cosmos of **Sigiswald Kuijken** and **La Petite Bande**. Over the years, the ensemble has recorded the cantatas for an entire church year, the great sacred works, but also important instrumental works by Bach. Nevertheless, there was still a gap that Kuijken wanted to fill. The present recording is the first part (of a series of three CDs) with Bach's six harpsichord concertos, his three harpsichord double concertos and finally the corresponding two violin concertos and the double concerto for two violins.
