Wolfgang Amadeus Mozart
Mozart the double-faced - Piano Sonatas
Michael Wessel

"The other day I was of evil humour, then I wrote beautifully, straight and seriously; today I am well rhymed up, then I write wildly, crookedly and merrily; now it only depends on which you prefer, you must choose between the two, for I have no means" Thus Mozart wrote to the Bäsle in 1777. The works united here show Mozart's described two-facedness of his mind as well as his works.
