Robert Schumann; Johannes Brahms; Franz Liszt
Dedication
Shorena Tsintsabadze

ARS38358	1 SACD hybrid
01S	2022

With Robert Schumann, Franz Liszt and Johannes Brahms, this CD brings together three composers whose works defined a large part of the Romantic era and who today are virtually exemplary for the piano music of the Romantic period - not only the German Romantic period. For Shorena Tsintsabadze, they were indispensable in putting together her programme for this recording.
