Leipziger Streichtrio

ARS38630	1 CD
01Q	2022

After several successful concerts and chamber music festivals, the Leipzig String Trio, which was only founded in 2019, now presents its first CD on ARS PRODUKTION. The repertoire selection presents no less than five exceptional musical personalities from several nations, whose works allow the much too little cultivated genre of string trio to blossom in multi-layered sound and intelligent dialogue.
