Antonin Dvorak
Slavonic Dances Op. 46 & Op. 72 for Piano four hands
Klavierduo Adrienne Soós & Ivo Haag

PROSP0047	1 CD

Dvorák's Slavonic Dances are undoubtedly among the greatest treasures of piano music for four hands. With them, the composer, whose fame had until then been largely limited to his homeland, suddenly achieved an international breakthrough. Playing sovereignly with an ingeniously invented folklorism, they represent his very own musical personal style. The Swiss piano duo Adrienne Soós & Ivo Haag present them here in the technically immensely demanding original piano version with a great sense of the musician's exuberance of this music.
