Ludwig van Beethoven
Spring Sonata
Qiling Chen; Yoshiko Iwai

PROSP0063	1 CD
01S	2022

All three works on the album are arrangements, with Qiling Chen's own transcription of Beethoven's Spring Sonata undoubtedly forming the heart of the recording. Since the flute and violin are instruments that are particularly comfortable in high registers and have roughly the same range, it is not surprising that a transcription succeeds without major sacrifices.
